

EXCHANGE CHAIR

Exchange Chair
by CRÈME, JUN AIZAKI

Crème has developed a contemporary wood and steel chair inspired by the traditional Windsor form. By exchanging the traditional wooden spindles and stretcher of the Windsor back with steel, Crème has produced a new chair that feels both contemporary and traditional at once. This exchange suggests the new life and design that can be breathed in to used or well-worn objects and furnishings. Aside from the tradition spindle back, Crème has designed several other backs that can be substituted in to fit any design. Custom backs, multiple wood species and steel finishes are available.
