Exchange Dining Chair by CRÈME

The Exchange Chair is an award-winning contemporary wood and steel chair inspired by the traditional Windsor form. By exchanging the conventional wooden spindles and stretcher of the Windsor back with steel, Crème has produced a new chair that feels both contemporary and traditional at once. This exchange suggests the new life and design that can be breathed into used or well-worn objects and furnishings. The new extended Exchange collection is timeless and modern, and includes a dining table, bench and an additional range of chairs.
